Impact Report

Program Overview

2022 SACK SUMMER HUNGER IMPACT REPORT

CLIENT TESTIMONIALS

- "During hard times of prices of gas and food going up, this helped my entire family by **providing some food security and healthy options.**"
- "It helped us stress less and be able to **count on healthy food for our children.**"
- "Metrocrest is and has been a tremendous help and blessing to our family. In all areas, they have helped us. [Sack Summer Hunger] has **helped me understand the importance of good nutrition for my children.**"

PROGRAM STATISTICS

- **96%** of parents said that their children had enough food for breakfast and lunch every day of the week.
- **97%** of parents said that their children were able to eat healthier, more balanced meals than before the Sack Summer Hunger program.
- **100%** of parents said that their children liked the food provided through the program.
- **95%** of parents and children said they learned more about healthy nutrition and the MyPlate food model.
- **75%** of parents said they were aware of Metrocrest's other services.
