SACK
SUMMER
HUNGER

2024 Impact Report

Program Overview

2024 SACK SUMMER HUNGER IMPACT REPORT

CLIENT TESTIMONIALS

- "It made me feel at ease that **I had that help I needed for my baby.**"
- "The summer feeding program **allowed my family and I to eat more healthier meals and snacks** throughout the day."
- "This [Sack Summer Hunger Program] allowed for us to still put food on the table. Inflation has been insane and my paycheck is not stretching much. **I'm glad the kids have healthy options instead of just cheap ones.**"

PROGRAM STATISTICS

- **98%** of parents said that their children were often or sometimes able to eat healthier, more balanced meals than before the Sack Summer Hunger program.
- **99%** of parents said that their children often or sometimes liked the food provided through the program.
- **96%** of parents and children said they learned more about healthy nutrition and the MyPlate food model.
- **92%** of parents said their children were able to consume three or more servings of fruits and vegetables each week.

362 Metrocrest Services' volunteers provided **721** service hours.*
