Thank you to our *Presenting Sponsor*

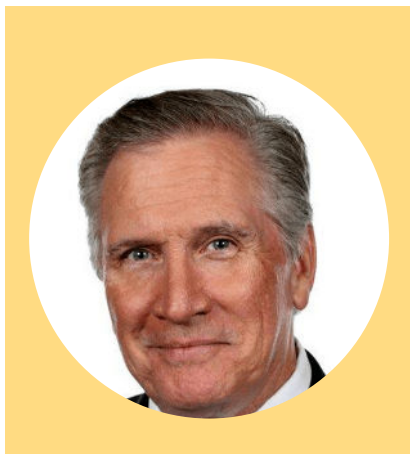

The Branch Church has been serving the Metrocrest community since 1905. They have been a long-time supporter of Metrocrest Services. The food pantry that now serves 1,400+ families a week was set up by The Branch Church in 1986.

They now have two campuses in the DFW area, in Carrollton and Farmers Branch. They are a church full of imperfect people who are helping each other become, grow, and live as disciples of Jesus. No matter your background, current situation, where you've been, or what you've done, The Branch Church wants you to know, "you belong here".

Helping build housing stability.

The mission of Metrocrest Services is to empower individuals to achieve self-sufficiency and foster independence.

Our **Housing Stability** program helps build a strong foundation for North Texans in need by providing stability and well-being helping families, individuals, and seniors pay their rent, mortgage, or utility bills.

“ Metrocrest Services helped us keep a roof over our four young children’s heads. You helped us when we couldn’t help ourselves. For that, we will forever be grateful.”

- Bridget
